Hello sir, I hope you are doing fine, I am also doing fine.

On 10th,Dec we completed anesthetic final examination, the examination was tough but I expect good result. We are still waiting for results and we are continuing with daily clacking, presentation, and attending theater activities as usual.

After receiving our results, and certificates, by January next year I will be back to my work place Ndolage hospital.

I'm very thankful to you and other supporters because of all of you I'm now anesthetist who is expected to protect and save lives of many people

Thank you very much.

Yours,

Johaphes Josiah

Dear Johaphes,

Thanks for your two short emails. I have passed them on to your sponsors at Calvary by the Sea Lutheran Church, Honolulu, Hawaii, USA. Sounds like you are doing well.

I'm sure at some point they would love to hear more about you, your background, your family, your work at Ndolage.

Blessings,

Rev. John S. Lunn

**Short message from Johaphes (a man of few words)**

Thanks for your Sponsorship. It is really helpful to me because myself I could not afford that large amount of money for school requirements. It is the change to my Life and to my hospital. The course is enjoyable, interesting and manageable. I'm really enjoying the course.

About school-

We are attending to the class 3 days (Monday), Wednesday, Wednesday & Friday. We go to theatre every Tuesday & Thursday. We attends patients to be operated on next day every evening except on Saturday.

Aloha from Mwanza, Tanzania - home of Bugando University Hospital. Site of the anesthesia program for nurses. Hope that both of you are doing well.

I wanted to let you know that I met the young nurse who is receiving the scholarship that could be given thanks to CBTS's gift of \$2,000. His name is Johaphes and I'm including a photo and will soon figure out how to send a short video of his saying thanks. I've asked him to email me soon with some information - so I'll pass that on too when I get.

Please share with others in the Mission's Committee and leadership.

Thanks again - Mahalo!
